The Blessing of Teachers

Here at St. Paul's we are blessed with an amazing teaching and support staff. I continually observe them guiding with love, instructing with patience, and listening with understanding. What a blessing it is to have a community of adults mentoring our students, building a foundation of faith, character, and academic excellence. In support of these teachers, I ask you to join me in remembering to thank them for their service to our school and their commitment to each student. We can also remember to support them with encouragement and prayer.

Almighty God,

We come to you today and give thanks for all our teachers.

Thank you for the way in which they give of themselves each day in the classroom,

Serving and instructing the next generation of this land.

We thank you for them all now.

Father, please fill their hearts with courage now by your mighty Spirit.

Fill them with your strength, so they may rise to every challenge and not grow weary.

Fill them with your wisdom, so that they may be able to make good judgment when guiding and helping others.

Fill them with your peace, so that when stress and anxiety comes it would not overwhelm them.

Fill them with your joy, so that the passion they have for their subject may become an infectious passion that spreads.

We ask all this in the wonderful name of Jesus.

Amen.

"Teach me your way, O Lord, and I will walk in your truth; give me an undivided heart; that I may fear your name."
