

# St. Paul's Church Building

## IMPORTANT DROP-OFF AND PICK-UP INFORMATION

We have established the following traffic flow patterns for both drop-off and pick-up. Please note carefully how we will proceed this year.

**School Drop-Off and Enrichment Program Pick-Up (in blue):** The school entrance is in the North parking lot. Pull forward to the door and drop off your student(s) for school only. Cars will line up along the parking lane in front of the church. You are always welcome to park and walk your child to the door. Please do not block the driveway, if you need to exit your vehicle, please park. NO LEFT TURNS INTO THE PARKING LOT

The school doors open at **8:05 AM**, school begins at 8:30 (8:15 for Prep Students). Enrichment Program students need to be signed out when they leave for the day.

**Before School Care:** Drop-in morning care is available beginning at 7am for a cost of \$5/day. Before school care is included for students enrolled in the Unlimited Enrichment Program. *Students dropped off before 8:05am will be signed into before school care and charged accordingly.*

**School Pick-Up (in orange):** First, Second & Third grade students along with their siblings will exit through the back of the church building into the alley. Enter the alley from First street going south only so all traffic flows in one direction and stop no further than the covered exit (please do not block the apartment parking lot). There is parking at the north end of the alley if you would prefer to park and walk up to the building. All other ELM & Prep students will exit through the front of the church building onto Buchanan Street. Parents may park on either side of Buchanan street to wait for your child(ren). Students will not be allowed to cross the street unattended. Please use caution in the pick-up/drop-off area.

***PLEASE HELP US KEEP ALL OF OUR CHILDREN SAFE!***
